

# Early Literacy Station™

Opening the Door to A Lifetime of Learning

## Early Literacy Station™ Software Licensing Option

### Installed on YOUR Workstation Hardware

- Robust, safe, secure, and educationally effective for young children. Easy to install, kids work / play on their own, in groups, with parents, and / or with teachers ... having fun learning!
- Requires 50 GB available storage (60 GB recommended), 1GB RAM (2GB recommended) and Windows XP Professional (SP2 or later);
- Recently-purchased customer hardware, 10 or more units;

### English or Bilingual Spanish Editions

- Safe, Supported, Educational and Fun!
- For children, ages 2 through 10;
- 46 (English Edition) or 62 (Bilingual Spanish) top-rated, developmentally appropriate, fun, titles that cross all curricular areas;

### Self-Managing - No Hassle Educationally or Technologically

- Full suite of ELS Administrative Tools to optionally limit printing, manage time of use, track system utilization, and much more.
- Kids Sign-on available, - just click on the name or photo, allowing for student Progress Tracking, Parent Activity Reporting, and more.
- Mobile Profiles integrate and unify student activity and progress information automatically across units (with network availability);
- Aligned and correlated with all state educational standards;
- Incorporates disguised learning and hidden assessments.
- Annual Product Update and ELF Child-safe Browser licensing included with every subscription.
- AWE provides you or your technical staff with portable USB hard drives, pictured above right, for easy, 20-minute installation. For very large orders, AWE installs onto your hardware for you.
- Software restoration from the USB Hard Drive – quick and easy!
