

Early Literacy Station™

Opening the Door to a Lifetime of Learning

Version 7.0 Educational Content Bilingual Spanish Edition

The educational titles in each curriculum area are carefully chosen for age appropriateness, educational value, replay interest, ease of use, entertainment value, graphics and sound, and discovery and growth.

Bailey's Book House

Contains seven easy-to-use early language activities with clear speech and graphics. Offers a great introduction to letter sounds and words.

JumpStart Spanish

Games and activities expose children to Spanish vocabulary, phrases, culture and music.

Dora's Magic Castle

Kids conquer math and color challenges on their quest to rescue the wizard's wand from an enchanted castle in this progress-tracked adventure.

JumpStart Advanced Kindergarten

Features six early reading, math, music, and art activities. Includes: letters sounded out and assembled, objects added and subtracted, sequencing, and drawing.

El Cuerpo (Educorock)

"El Cuerpo" will have students hitting the dance floor and touching their ears, feet, eyes, nose, mouth. It's the body "like you've never heard it before."

Just Grandma and Me

A popular Living Book title. They spend a day at the beach, they ride the bus, go snorkeling, and look for seashells.

El Gran Atlas del Pequeño Aventurero

Children learn about geography, countries and their inhabitants, cities, famous monuments, and plants and animals from all over the world using a unique atlas.

Kids Pix Deluxe

Supports a variety of media, including traditional art tools, 3-D shapes, music, animation, and picture editing. Make slide shows and movies.

El Pequeño Aventurero de la Ciencia

This program attempts to answer kids' science questions with text, pictures, animations and activities. The goal is for children to try to become Science Explorers.

Kidspiration

Kidspiration Spanish

Helps students see, organize, and develop their ideas. Using proven visual learning principles, students build confidence in organizing information, understanding concepts and expressing their thoughts.

En La Granja (Educorock)

"En La Granja" is a farm-themed rap song that reinforces both animal vocabulary (names of animals and their sounds) and related action verbs.

Krazy ArtRoom

A rare, magical program full of great special effects. Easy-to-use art and creativity center captures the power of interactive media.

Flash Action Software Addition/Subtraction

This Flash Action is a math skills program that lets you toggle back and forth between English and Spanish. Kids can practice addition and subtraction facts, alone, against a friend, timed, or un-timed.

History Explorer

La Maquina del Tiempo del Pequeño Aventurero

Travel through eight exciting past locations: Medieval Europe, Inca Empire, Imperial China, Age of Industry, Roman Empire, Ancient Greece, Ancient Egypt, 1920s.

Giggles Toddler My Music World/Giggles Toddler ABCs and 123s

Both programs are educational dynamos. Feature dozens of songs, sampled instruments, and learning through sound. Keyboard turns into any instrument!

La Casa de Dora

Explore all the rooms in Dora's house and play soccer against Boots in this incredibly robust program which touches on virtually every curricular content area.

Graph Club 2.0

Teaches children to create and evaluate five different types of charts and graphs. Helps develop basic math assessment and skills.

Juega con las Matematicas

Students learn math skills through a time travel adventure and solve math problems: fractions, geometry and measurements.

* Please note: AWE changes Early Literacy Station™ educational content from time to time. The list above was accurate as of the date of its publication. Feel free to contact AWE concerning any content changes.

La Clase de Dibujo

Tells the story of Tommy learning to become an artist. In English and Spanish. Coupled with 14 art activities.

La Sala De Clase (Educorock)

“La Sala De Clase” is a rap song that reviews key classroom vocabulary in a funky way. Some of the phrases used include “Stand up” and “Look for a ruler.”

Little Monster at School

Part of the Living Books family, noted author Mercer Mayer takes us to school with Little Monster for a hidden socialization lesson from the ill-tempered Yally.

Los Colores (Educorock)

Uses a familiar tune as the refrain to a hip-hop song that leads students through the 10 basic colors.

Math Doodles

A new highlight of Version 7. Count money, tell time, learn fractions, solve problems. Even algebra is covered.

Millie's Math House

La Casa de las Matematicas de Millie

Explore numbers, shapes, patterns, addition, and subtraction. Practice math skills: build a mouse house, count jellybeans, put shoes on creatures.

MusiCan 1

This active listening program offers a “world of sound.” Includes sing-alongs, the sounds of a farm, sporting events, busy town, and more.

MusiCan 2-3

Uses animation, visual cues, audio tracks, repetition, song, and role-play to introduce pitch, beat, dynamics, timbre, rhythm, and timing.

MusiCan 4-5

Investigate music styles, instruments, melodies, notation, and structures. Helps kids develop appraising, composing, and performing skills.

My Amazing Human Body

Mi Increible Cuerpo Humano

Entertaining introduction to the human body. Activities led by a humorous skeleton. Covers the skeleton, organs, and body systems.

PEEP Floats

Animated series full of innovative ideas for teaching science. Introduces: smells, water currents, measuring, boats, exploring, and more.

Photo Kit Jr.

Lots of activities using photos, art work, and writing. Create your own slideshow with captions and music.

Reader Rabbit Toddler

Toddlers learn by observing and exploring the world around them. A wonderful way for children to discover numbers, letters, shapes, and sounds.

Reader Rabbit Learn to Read with Phonics

Learn to recognize and sound out words, build vocabulary, improve memory, develop concentration, and more.

Read, Write & Type!

An effective early-learning typing program with interesting characters and teaches phonics.

Sammy's Science House

La Casa de Ciencia de Sammy

Sammy introduces early science and thinking skills with five fun-filled activities: puzzle parts, classify animals, sequence movies, adjust weather conditions, and observe wild life.

Sesame Street: Let's Make A Word (Hagamos una Palabra)

Children can choose from six Muppet playmates (Elmo, Big Bird, Oscar, etc.) and four discovery sites (farm, construction, restaurant, park). Twenty-four activities introduce letters, sounds, words, and spelling.

Stationery Studio

Award-winning program develops handwriting and computer composition. Kids write stories, reports, letters, and illustrate with colorful graphics.

Stellaluna

Teaches early reading skills. This beautifully illustrated story tells the enchanting tale of a young fruit bat. Kids are introduced to differences between birds, bats, and other creatures.

Thinking Things: Toony The Loon's Lagoon Thinking Things 2 Spanish

Children create rhythmic compositions, explore two-dimensional and three-dimensional shapes, experiment, and create. Five activities stimulate young minds & include options for special needs children.

Tortoise and the Hare

La Liebre y la Tortuga

Classic fable takes an interactive turn in this Living Books title focused on teaching verbs and prepositions.

Ya Sé Leer

This program brings back White Bear and Little Penguin as reading coaches to teach reading comprehension, grammar, and sentence construction.

Resources and Tools

Britannica Student Encyclopedia

Includes useful homework resources, video subject browsing, and how-to documents on topics such as writing a book review.

Britannica Compacta Dictionary (Merriam-Webster)

Classic resource. Supports multiple language translations.

Britannica Elementary Encyclopedia

A great resource that features a world atlas, historical timelines, thousands of photographs, videos, audio clips, and virtual tours.

Enciclopedia Compacta Britannica

The world's most authentic and reliable reference guide. The Enciclopedia Compacta Britannica is one of the most comprehensive Spanish-language resources for information on the people, places, and events.

Microsoft Paint, WordPad & Calculator

Students can become familiarized with classic Microsoft tools for writing, image editing and creating, and math.
